#### ABOUT THE RACE

Unified Therapy Services is sponsoring this 5K run/walk to raise money, help fund research and change lives. This year a portion of the proceeds will be donated locally to Camp Albrecht Acres, a non-profit corporation. The money provided to the organization will help children with autism and their families by supporting camper fees for Camp Bee A Friend. The camp is for children who have an autism spectrum disorder. The remaining proceeds will be donated to the Autism Society of Iowa. This statewide non-profit advocacy organization is dedicated to improving the lives of children and adults with Autism Spectrum Disorders. They provide current information and support to parents, educators, service providers, and others interested in autism.
